

Your wedding is a celebration of your love.

All of the most important people in your life gather out of love and respect for you. Your vows are made before these honored guests because you care as much about them as they care about you. And when your vows are spoken, the place explodes with applause ... and smiles ... and tears!

LET THE PARTY BEGIN!

What a great day! Let us be there for you, too. Our style of DJ entertainment has been refined and tailored for weddings. Our style is elegant and classy, and at the same time, incredibly fun. (Be sure to bring comfortable shoes.) Your guests will talk about the fun they had for years.

JUST IMAGINE THE DAY...

Guests will be happy and energized. The hall will seem alive. And time will stand still. MAKEUDANCE ENTERTAINMENT provides wedding entertainment that brings families and friends together. We take the time to find out what YOU want and we customize each wedding for the dreams of each client so no two weddings are the same. We LOVE our profession. It shows in everything we do.

"Our reception surpassed all our expectations thanks to you."

"It was Elegant..."

... It was Fun

... It was all so Perfect!"
"Thank You"

ONE-OF-A-KIND RECEPTIONS

*Y*our style is different from the last bride we worked with ... or the next one we will work with. That's why we take time with you planning a tailor-made reception. Our entertainers give you exactly what you want!

ONE-OF-A-KIND ENTERTAINMENT

Are great entertainers born ... or are they made? Both. It takes a certain God-given talent to be a good entertainer. And it takes training to become a great entertainer. We have both. Natural talent and experience. We're very selective in our entertainers. Every one of them is a pro!

ONE-OF-A-KIND REFERENCES

How do you judge the quality of an entertainment company? Check their references. Do quality hotels and banquet halls give them high marks? How about brides? We're proud to share our references with you.

ONE-OF-A-KIND VALUE

We're not the cheapest around. We're certainly not the most expensive. But when you consider what you get for the money: the talent, the quality, the reliability, the extras we throw in, you quickly see the high value you get. You get a lot for your money!
